Re: MPD Freight Policy

Dear Sirs/Madam,

This is a reminder regarding our existing freight policies on certain items.

Oversize Charge

Purolator and DHL charge a \$12.00 **per piece** surcharge on oversize packages/items. The basic guidelines are as follows:

- Any single item over 60lbs in weight
- Any "unboxed" item (ie. Tires, Seats, Roll Bars, Batteries, etc.)
- Any single item over 5ft. in length

If you order an item to which this applies, you will be charged the appropriate amount unless you are shipping on your own Purolator or DHL account.

Freight Prepaid Exempt Items

The following items (but not limited to) are exempt from our "Freight Prepaid" programs:

Tires, Engines, Engine Blocks, Transmissions, Differentials, Hoods, and any item that is of "excessive" weight or physical size.

Freight will be charged on your invoice for these items or shipped on your carrier account.

If you have any questions, please contact the undersigned at 604.881.4888 or 800.236.6722.

Sincerely,
Greg Stevens
